MODUL 3

The screenshot displays the Cisco Academy interface for the 'Cyber Threat Management' course. On the left, the 'Course Outline' sidebar shows 'Module 3: Threat Intelligence' at 100% completion. Below it, a list of topics includes '3.0. Introduction', '3.1. Information Sources', '3.2. Threat Intelligence Services', '3.3. Threat Intelligence Summary', and '3.3.2 Threat Intelligence Quiz', which is highlighted with a blue border. The main content area shows the '3.3.2 Threat Intelligence Quiz' results with a large green arc and '100%' score. Text below the arc reads: 'You have scored 100%. Congratulations, you have passed the quiz.' The top right of the interface shows a search bar, a language selector set to 'EN', and a user profile icon.
